

Quest #openforsummer Plan

Below is the Quest #openforsummer plan that employees must follow while on work time. These plans ensure that the organization remains diligent in its effort to combat and respond to Covid-19 outbreaks. Please notice the differences between the Quest plan and the Alberta “Open for Summer” Plan. **Quest will alert staff when the agency is moving into a new Stage.**

Stage 1	Stage 2	Stage 3	Stage 4	Stage 5
50% of population have first dose	60% of population have first dose	70% of population have first dose	Target TBD	Target TBD
<p>PPE requirements remain the same (even outdoors)</p> <p>Outdoor recreation encouraged</p> <p>Isolated workplaces continue</p> <p>Access/Impact cross over allowed Reach and Living remain isolated</p> <p>All screening processes remain the same</p> <p>Physical distancing required</p> <p>Non-Quest guests can visit Living locations while wearing PPE (i.e., a family member or a friend)</p>	<p>PPE requirements remain the same (even outdoors)</p> <p>Outdoor recreation encouraged</p> <p>Isolated workplaces expanded</p> <p>Access/Impact cross over allowed Reach and Living remain isolated</p> <p>All screening processes remain the same</p> <p>Physical distancing required</p> <p>In person meetings can occur</p> <p>Main office will open back up</p> <p>Management will return to their office spaces</p> <p>Transportation can resume if individuals are symptom free</p>	<p>Masking required</p> <p>Eye protection indoors is still required</p> <p>Eye protection outdoors is not required (people who are not vaccinated are strongly encouraged to continue wearing eye protection to avoid being deemed as close contacts by AHS)</p> <p>Outdoor recreation encouraged</p> <p>Isolated workplaces to dissolve</p> <p>Access/Impact cross over allowed Reach and Living remain isolated All screening processes remain the same</p> <p>Physical distancing indoors required</p>	<p>Masking required indoors and in vehicles</p> <p>Programs can cross over</p> <p>Larger in-person socially distanced meetings can take place</p> <p>Physical distancing indoors required</p>	<p>PPE lifted (outdoors and indoor)</p>
